Hello Undergraduate University Housing Students and Families!

We encourage you to move in as close to Thursday August 21st as you can. We are able to provide the best service to you on Thursday (I-Guide Assistance, hall programming, & staff availability). However, given the weekday move in we are happy to assist you by accommodating an earlier arrival.

Please review the following details about moving in early.

A. Early Arrival check-in may occur at any hour of the day beginning at Noon on Sunday August 17 in the Undergraduate Halls. There is a nightly fee for each student checking in before Thursday 8/21, as these “early arrival” dates fall outside the Fall 2014 University Housing Contract you have signed. That fee will be charged to the Student’s Account and reflected in the October 2014 bill.

The per night charges are as follows and start the date you move in:

- Sunday night=$30 (there are no meals served on this day)
- Monday night = $50 (there are 3 meals available to early arrivals this day)
- Tuesday night= $50 (there are 3 meals available to early arrivals this day)
- Wednesday night=$50 (there are 3 meals available to early arrivals this day)
- Thursday = no additional charge for moving in today (there are 2 additional meals available to those early arrivals who moved in before Thursday, breakfast & lunch)

COST: If you arrive...

C. During our early arrival opening (beginning Sunday 8/17 at Noon) you may arrive and go directly to your area or complex front desk and the desk staff will check your student in to their fall room assignment, give them their room key, bathroom key & card access to the facility, answer any general questions your student has and help direct you to the student’s room.

D. All exterior doors of our residence halls are always locked 24 hours throughout the academic year but front/area desks are staffed 24 hours beginning at Noon on Sunday August 17, so you may arrive at any hour after that time to check in. You will use the call box outside the main entrance of your hall
to call the front desk to gain access initially. After you check in, within a few minutes your iCard will gain you access to your hall and meals as an early arrival resident.

E. You will receive more specific Move-In instructions in August from University Housing. Upon your arrival, you may unload your vehicle from a curb or metered space nearest your residence hall (do not leave your car unattended while unloading). For longer term visitor parking that same day you must contact Campus Parking at: (217) 333-3530 or [http://www.parking.illinois.edu/](http://www.parking.illinois.edu/). Meters and lots are enforced by Campus Parking during early arrival move in. Housing is not responsible for parking tickets you may receive.

F. [International Students and those students living in FAR Pre-Early Arrival (also known as Interim Housing)](http://www.parking.illinois.edu/) through Sunday 8/17 will be moving out of this Pre-Early Arrival/Interim Housing at FAR on Sunday 8/17 beginning at 7am & assisted by the Student Affairs Shuttle Program located at the front of FAR that morning. All pre-early arrival/interim residents must be moved out of FAR by 8:00am on 8/17 and [WILL BE](http://www.parking.illinois.edu/) allowed to check in to their fall room assignments between 7am and Noon on Sunday August 17.

G. International Students are strongly encouraged to do their mandatory check in with International Student and Scholar Services Sunday 8/17 at the Illini Union-Ballroom immediately following their move from FAR to their permanent fall contract location.
